SSEO 2023 | Exhibition Area - Fasanen Passage

The technical exhibition will be an integral part of the SSEO 2023 and is located at the Fasanen Passage. This impressive open space foyer area offers an attractive exhibition area, various exhibitions booth sizes are bookable.

The Fasanen Passage extends over the entire length of the building of approx. 100 meters. It is bordered on the long sides by a glass front facing Fasanenstraße and by a gallery on the first floor.

Delegates of the SSEO 2023 will pass by the exhibition on their way to the conference room which assures a high visibility to all participants and high rate of interaction.

For information about the exhibitor areas (e.g. floorplan) and the bookable various exhibitions booth sizes please contact marielies.becker@berlin-partner.de
